# From monogamy to polygyny a way through pdf online download full episodes

While some women forced into the situation may find some small comfort in knowing they are not alone, or distorting religious texts to infuse purpose and hope into their predicament, the book completely fails to address the gross misuse of an ancient institution in a modern world with no practical use for it. Please log in with your institutional or personal account if you should have access to this content through either of these. While some of the coping advice was valid & good (self-care, patience, turning to Allah, working on one's character), most of the book's framing was extremely frustrating. I dislike immensely. Do not recommend tbh. Time for some new poly discussions to be had! Healthier ones! 2/5 #Bookstagram #Muslimbookstagram #bookreview #critique #polygyny #polygamyinIslam #womeninIslam #Islamandwomen #depressingbooks #Islam #MuslimBooks ... more Jun 12, 2007 Sadia rated it really liked it for: Muslim woman Ma shaa Allah this book is good because they include real life accounts and advice from sisters who are polygynous marriages, rather than just covering the rulings of polygyny Apr 03, 2021 Hamza Jamal rated it it was amazing The writers shift the focus of the reader to the purpose of life throughout the book, reminding them that we Muslims should keep our focus on pleasing Allah and following His messenger peace be upon him. They also deal with problems in a very realistic and effective manner, while reminding the reader of the importance of creed that acts as the engine for getting through hardships. A very difficult read for any Muslim who strongly disagrees with Islamic polygyny as it is practiced today. MUHAMMAD AZAM rated it it was amazing Apr 21, 2018 Suroor rated it did not like it Feb 11, 2013 Abdur-Rahman rated it really liked it Jan 23, 2017 Maica rated it did not like it Apr 25, 2016 Ahmed Ali rated it it was amazing Dec 25, 2020 Syed Sohaib rated it it was amazing Mar 16, 2013 Itzhar rated it it was amazing Oct 31, 2017 Fatima rated it did not like it Jun 19, 2017 What rated it did not like it Aug 04, 2016 Tamara rated it it was amazing Oct 14, 2015 Esra rated it did not like it Sep 14, 2016 Daniela Erpel rated it it was amazing Mar 26, 2021 Gregorio marked it as to-read May 07, 2010 Iman Mamdu marked it as to-read Jan 06, 2015 Maryam marked it as to-read Feb 09, 2015 Kisha Moss marked it as to-read Mar 21, 2015 Hamlin marked it as to-read Oct 14, 2015 Imam Omar marked it as to-read Jan 17, 2016 Preview Preview You currently have no access to view or download this content. I finally managed to dig up a copy, &... I've been asked about this book quite a few times, but never had a chance to read it before. Showing a limited preview of this publication: Section 2 focused on the "psychology of poly" & "the female psyche," but really just went on & on about women's "emotional and jealous natures," randomly threw together irrelevant hadith about women & then tied it into female physiology & did the usual "and this is why women can't do this" & made way too many gendered statements about female nature that are actually "human nature" ("women need to feel cared for" wih HUMANS to feel cared for). Secti in light of my... You get the gist. The section on transitioning to/ coping with poly was also depressing, bc every example provided was dudes going off & marrying behind the first wife's back... There was the usual "this is no reason to ask for a divorce!" guilty trip (fun fact: it absolutely is a valid Islamic reason to get a divorce!), and this was defended and justified instead of holding them accountable & responsible for literally lying & sneaking around. It is a very practical guide to the emotional realities of such a situation. well, I'm kind of glad I never read it before lol. I was actually pretty excited for the first 62 pages - section one was a pretty decent overview of polygyny in Islam & looking at how the wives of RasulAllah (salAllahu alayhi wa sallam) interacted (yay #positivepoly stories!). It went pretty downhill from there. Throw in a sprinkle of other random claims that aren't true ("men become more easily romantically attached due to random chemical" - not true, debunked via a quick Google search). Showing 1-49 Start your review of From Monogamy to Polygyny: A Way Through Feb 08, 2022 Zahab Bint Younus rated it it was ok In light of my... personal poly experiences... Aug 17, 2015 Abu Kamdar rated it it was amazing This is a must read for any Muslim man and woman entering a polygamous relationship, or planning to do so. Then again, it was the early 2000s... & this was par for the course. The Husband kept reminding me that this was proactive for its time, but meh.

Polyamory (from Ancient Greek νοῦς (polū) 'many', and Latin amor 'love') is the practice of, or desire for, intimate relationships with more than one partner, with the informed consent of all partners involved. People who identify as polyamorous may believe in open relationships with a conscious management of jealousy and reject the view that sexual and relational exclusivity... Dating is a stage of romantic relationships whereby two people meet socially with the aim of each assessing the other's suitability as a prospective partner in a future intimate relationship. It represents a form of courtship, consisting of social activities carried out by the couple, either alone or with others. The protocols and practices of dating, and the terms used to describe it, ...
